Bengaluru Space Expo 2016
International Exhibition & Conference “World Space – Biz”
September 1 - 3, 2016: BIEC, Bengaluru, India

Confederation of Indian Industry (CII), in association with the Indian Space Research Organisation (ISRO) and its commercial arm, the Antrix Corporation Limited (Antrix), announce the **5th Bengaluru Space Expo 2016**, an International Exhibition & Conference on Space Technologies, Equipment & Products. The event is scheduled during **September 1-3, 2016, at the Bangalore International Exhibition Centre (BIEC) ground, Tumkur Road, Bengaluru in the India’s state of Karnataka.**

The previous edition of the Space Expo, held in Bengaluru in November 2014, had witnessed encouraging presence of delegates from business community from countries such as France, Hong Kong, Italy, Malaysia, Russia, Singapore, Thailand, UK and USA, besides India.

The Bengaluru Space Expo 2016 (BSX-2016) would provide you the opportunity for networking with global operators and suppliers in space industry. The three-day event will comprise of conference addressing contemporary topics, avenues for meetings among interested parties and an occasion to get first-hand feel of opportunities that exist in India for space related activities. The conference shall have 4 to 5 sessions of two-and-half hour each focused on specific themes – addressing industry participation in space systems production, related infrastructure creation and applications delivery – with speakers from ISRO as well as industries. The other events will include a Technology Transfer Workshop, CEO Forum, Student Forum and MSME Forum.

A concurrent two day International Conference “**World Space-Biz**” would also be organized, wherein leaders from global space agencies and industry would discuss on topics like Commercialization of Space, Manufacturing of Satellites, etc. The Brochure on the Exhibition and Conference is enclosed for your reference.

Please join us at the events with the display of products, technologies and services for the space sector, including your plan for future co-operation. Also, do plan your travel formalities and booking for the pavilion.

We look forward to your esteemed presence at the event.

With our best regards,

A S Kiran Kumar
