Admission at University of Delhi under Self-Financing Scheme

The University of Delhi is recognized globally for academic excellence and is reputed as a premier and top-ranking university in India. The university offers a wide range of courses, approximately 500 in number, across different disciplines such as law, natural sciences, engineering, social science, genetics, electronic sciences, computer science, commerce, business studies, management, music, fine arts, journalism, languages, and many others. These courses are conducted in its 70 colleges, 16 Faculties, 87 Departments and 16 Centers. An internationally acclaimed and affordable quality education with English as the common medium of instruction makes the university a top choice for students. The student community is among the largest globally and is truly diverse, being well-represented from within every corner of India and from over 70 countries worldwide.
